5.1 be a Member; and

5.2 not be in breach of these Terms of Use or otherwise have access to your Account restricted, nor have had any previous Account closed by us.

## 6. USING YOUR ACCOUNT

6.1 In order to make a Transaction, you will need to make an Upload

6.2 Purchasing electronic money

6.2.1 You may purchase electronic money by using one of the Upload options available to you depending on your country of residence. Upload options are payment services provided by third party financial institutions (for example, the issuer of the payment card you use to upload funds or third party direct banking service providers) and are not part of our service. We do not guarantee the use of any particular upload option made available, and may make changes to or discontinue the acceptance of any particular upload option at any time without following the procedure set out in section 2.2.

Notwithstanding section 6.2.2 below, we shall not be responsible for the upload payment until the uploaded funds are received by us. You must provide the information requested and pass all identity and security validation and verification checks. For any Upload, you authorise us to obtain or receive funds on your behalf from your chosen payment source, less any applicable Fees, and then issue electronic money to your Account.

6.2.2 Notwithstanding the foregoing, certain Upload options allow you to fund electronic money to your Account by debiting an account at your financial institution. In the event we are advised of insufficient funds in such account, we may re-present such uncleared payment at your financial institution up to two more times. In addition, we may debit the applicable Chargeback fee stated in section 10.1 of these Terms of Use and such uncleared payment from your Account, obtain it from your designated financial

institution or otherwise collect it from you.

6.2.3 Uploads are subject to fees including currency conversion fees (if applicable). Please see section 8 for further details on fees.

6.2.4. You must not make an Upload from, or a withdrawal to, a payment instrument or bank account if you are not the named account holder. We take any violation of this requirement very seriously and will treat such actions as fraudulent acts.

### 6.3 Applying for Cards

6.3.1 If you reside in a supported country, you may apply for a Card once your Account has been verified in accordance with section 6.3.2 below. To find out if you reside in a supported country, please contact the [Customer Contact Centre](#).

6.3.2 In order to apply for a Card, you will need to “verify” your Account by confirming your identity and where you live. Details of how to do this can be found on the Website. We may use third parties to obtain this information, which may also contain credit checks, on our behalf. You agree to us applying reasonable discretion in using and sharing relevant personal data to conduct such identity and verification checks.

6.3.3 If you receive a physical Card, you must sign it as soon as you receive it.

6.3.4 We reserve the right to refuse to issue you a Card in our sole discretion.

### 6.4 Using your Card

6.4.1 Your Card is not a credit card, charge card or a debit card. You can only spend to the value of the funds that you have in your Account. You can use your physical Card anywhere Mastercard® is accepted, however a virtual Card can only be used where a physical card is not required, for example, Transactions made online or over the phone.

6.4.2 All Transactions made using your Card are subject to:

- there being sufficient funds in your Account;
- the Merchant or financial institution being able to verify that you have sufficient funds available in your Account; and
- where applicable, the terms and conditions of the provider of the ATM or relevant financial institution (in addition to these Terms of Use).

6.4.3 We reserve the right to decline any Transaction at our sole discretion in circumstances where that Transaction is fraudulent, would be in breach of these Terms of Use or any applicable law and regulation or you have insufficient funds to make the Transaction. We shall not be liable in the event that a Merchant refuses to accept your Card or if we do not authorise a Transaction, or we cancel or suspend use of your Card in accordance with these Terms of Use.

6.4.4 You must not spend more money using your Card than you have in your Account. If you cause your Account to go into a negative balance, we will take any such action seriously and take any steps necessary to enforce any actions against you in accordance with these Terms of Use.

6.4.5 Merchants such as car hire companies, hotels and other service providers will estimate the total sum of money you may spend or for which you require authorisation. The estimate may be for more than the amount you eventually spend or are charged, for example:

a. at restaurants you may be required to have a maximum of 20% more on your Card than the value of

the bill to allow for any service charge added by the restaurant;

b. at “pay at pump” petrol pumps (if applicable) you may be required to have an amount equal to the maximum Transaction value permitted at the pump in your Account.

The merchant will be required to tell you the estimated amount that will be blocked in your Account and seek your consent.

This means that some of the funds on your Account may be blocked until the Merchant has settled the actual Transaction amount and accordingly, you will not be able to spend this estimated sum during this period. We will release the blocked funds without undue delay on becoming aware of the amount of the Transaction and in any event will unblock the funds immediately after receipt of the settlement request from the merchant.

6.4.6 Your virtual Card and the digital copy of your physical Card are electronically issued and will be available and ready to use in your NETELLER Account upon ordering in accordance with these Terms and Conditions. Your virtual Card has its own unique card number, expiry date, and CVC and can be ordered separately from your physical Card. Your digital Card is not a separate card. It is a copy of your physical Card and has the same card number, expiry date, and CVC as your physical Card.

## 6.5 Making Payments to and from your Account

6.5.1 In addition to using your Card to make Payments and Withdrawals, you can also make a Payment straight from your Account to a Merchant that accepts payment from a NETELLER account or another Member by completing the information on the “Money Out” page of the Member Site, and, in some cases, you may be able to make a Payment to or from a Merchant, directly from the website of a Merchant.

6.5.2 When making a Payment from your Account, you may not designate an amount in excess of the balance (plus the applicable Fees) in your Account at the time the request is made. If you attempt to do so, your Payment request will be denied. The funds on your NETELLER account must also be sufficient to cover any minimum Withdrawal amount. You can choose the method of Withdrawal when submitting your Withdrawal request. If you do not have sufficient funds on your NETELLER account, your request to withdraw funds will be rejected.

6.5.3 The amount of any Payment made to your Account will be credited to your Account balance, less any applicable Fees, on receipt. If a Payment credited to your Account is reversed by the sender prior to you performing a Transaction, the amount of the reversed Payment will be returned to the sender and no Fees will be owed by you.

6.5.4 You are fully responsible for any goods or services bought by you that are paid for through your use of the NETELLER Service. Any dispute with a Merchant regarding any product or service bought by you through the NETELLER Service is between you and the Merchant and you agree that we shall not be a party to such dispute. We do not provide any warranties, representations, conditions or guarantees with respect to such goods and services.

6.5.5 Payments are subject to fees including currency conversion fees (if applicable). Please see section 8 for further details on Fees.

6.5.6 If we are late in executing a payment that you instruct us to make you may ask us to contact the recipient's payment service provider and ask them to credit it as if it had been received on the correct day.

6.5.7 We may, if requested by the payment service provider of someone trying to make a payment to you that has executed that payment late, credit it to your Account as if we received it on the correct day.

6.5.8 Transactions are displayed in your online transactions history together with the date of receipt or transmission (the credit or debit value date), the fees charged and, where applicable, any exchange rate used. Each transaction is given a unique transaction ID and shown in the transaction history. We will not alter or amend information displayed in your online transaction history. You should quote this transaction ID when communicating with us about a particular transaction. You should check your Account balance and transaction history regularly. You should report any irregularities or clarify any questions you have as soon as possible by contacting [Customer Contact Centre](#).

6.5.9 We will send you an e-mail notification every month reminding you to log into your Account and download and/or print a copy of your transaction history.

6.5.10 You must give consent to the execution of a Transaction for it to be authorised. You agree that by pressing the “agree” button, or entering your Account ID Information (or any equivalent button or process whereby you submit the required Transaction information) you are confirming that you are providing consent for the Transaction to be processed and for the relevant Fees to be charged and deducted from your Account. All Transactions made using your PIN, your Account ID Information or any other security procedures that we require are deemed to be authorised by you. You also agree that once consent has been provided by you, the authorised Transaction can no longer be revoked. To this extent, the time of receipt of the Transaction request (and therefore the time of consent) is the time when the “agree” button has been pressed (or such equivalent button or process).

6.5.11 When you send or receive a Transaction, we will disclose your registered Account name to the recipient and/or sender to process the respective Transaction. We may also display that information in notifications sent to the recipient and/or sender.

6.5.12 You acknowledge that your intended recipient of a Transaction from your Account is not required to accept the Transaction. If an intended recipient declines a Transaction from your Account, your Account will be re-credited with the amount of the Transaction and no Fees will be charged.

6.5.13 If you receive funds into your Account that were not intended to be transferred to you, we will be entitled to remove these funds from your Account.

6.5.14 You must ensure that the payment details you enter when making a Withdrawal are correct and complete. We will not be liable for withdrawn funds being sent to the wrong account where this is due to you providing incorrect payment details. When withdrawing to a bank account, you must ensure that the account number, sort code, IBAN and/or BIC/SWIFT are correct. If you have withdrawn funds to the wrong account, you may request that we assist you in reclaiming the funds. However, we will charge you an administration fee as displayed in the ["Fees" section of the Website](#) for doing so and we cannot guarantee that the reclaim efforts will be successful.

6.5.15 Withdrawal methods are payment services provided, at least in part, by third party financial institutions). We do not guarantee the availability of any particular Withdrawal method and may make changes to or discontinue a particular Withdrawal method at any time without following the procedure set out in section 2.2 as long as there is at least one withdrawal method available to you. Where the Withdrawal payment is received by you through the involvement of a payment service provider (such as the bank where you hold a bank account), we shall not be responsible for the Withdrawal payment once the withdrawn funds are received by your payment service provider. We also reserve the right to request an alternative bank account or other withdrawal method to be used in case we are unable to process the withdrawal to your preferred withdrawal method.

## 6.6 Subscription Billing

6.6.1 Some online Merchants may offer goods or services which can be paid for using Subscription Billing. This means that a Payment will be deducted from your Account at regular intervals. The amount of the Payment and the intervals at which the Payment will be deducted is determined by the relevant

Merchant.

6.6.2 Subscription Billing is an arrangement between you and the relevant Merchant. If you wish to amend or cancel your Subscription Billing Payment or have any query or dispute concerning your Subscription Billing Payment, you may only do this by contacting the Merchant directly and the terms and conditions set by the Merchant will apply. Once you have contacted the Merchant you should inform us. We are unable to cancel or amend Subscription Billing Payments without the consent of the Merchant. You should not cancel or otherwise reverse a Subscription Billing payment without contacting the Merchant first. We will not be liable for any Subscription Billing Payment that is deducted from your Account before you have notified the Merchant of the cancellation. You will not be able to cancel a Payment that has already been made to a Merchant.

6.6.3 It is your responsibility to ensure that your Account has sufficient funds to make each of the Payments you have agreed to make using Subscription Billing. We shall not be liable for any fees, charges you may incur as a result of there being insufficient funds in your Account to meet your obligations under a Subscription Billing arrangement. If your Account goes into a negative balance, the terms set out in section 10.3 shall be applicable.

6.6.4 A payment made by way of Subscription Billing is a "Payment" as defined in these Terms of Use and the normal Fees will be applied to each Payment.

6.6.5 We will refund any past Subscription Billing Payment(s) initiated by or through the Merchant provided that: (a) the original authorisation given to us or the Merchant did not specify the exact amount of the Payment and (b) the amount of the Payment exceeded the amount that you could reasonably have expected taking into account your previous spending pattern and the circumstances of the case. You must request such a refund within eight (8) weeks from the date the funds were debited from your Account. You agree to provide us with such information as is reasonably necessary to ascertain whether the conditions for a refund described in this section 6.6.5 are satisfied. Within ten (10) Business Days of receiving a request for a refund or, where applicable, of receiving any further information we requested from you, we will either refund the full amount of the payment or provide you with justification for refusing to refund the payment indicating that you have a right to refer the matter to the Financial Ombudsman Service if you do not accept the justification provided.

6.7.2 We will process the Withdrawal request provided all identity and security validation and verification checks are successfully completed.

6.7.3 Depending on the method of Withdrawal you choose, a Fee may be applicable which will be deducted from the balance in your Account prior to Withdrawal.

6.8 We may refuse to execute any Transaction in the following circumstances:

6.8.5 we need to do so in order to comply with the Mastercard rules; or

6.8.6 where we are otherwise required to do so by law or requirement of any applicable regulatory body.

We may notify you of such refusal, our reasons for doing so and, where applicable, how to rectify the error that led to the refusal, unless such notification - or any part of it - is prohibited by any law or regulation.

6.9 Merchants may not be able to authorise a Payment if they cannot obtain online authorisation from us (for example, if they are unable to access the internet).

6.10 You are fully responsible for the instructions you give to us and as a result we may not be able to detect errors in your Transaction instructions. It is important that you ensure all the details entered in respect of any Transaction are accurate. 6.11.3 where you are in breach of these Terms of Use.

6.12 You acknowledge that certain of our Transaction options will require different types and levels of identity and security validation and verification checks, including use of third party validation and verification systems, and you agree to us applying our reasonable discretion in using and sharing relevant personal data to conduct such identity and security validation and verification checks if you choose such options.

6.13 You also acknowledge that for security purposes, certain of our Transaction options impose minimum and maximum limits on the amounts that may be transferred. We reserve the right to impose limits on the amount of any Transaction and the frequency you may use a particular Transaction option. Further information is available on the [Website](#); or in your NETELLER account under the selected transaction option. These limits are subject to change from time to time without notice.

In either case, we will tell you using any of the contact details we hold for you. We won't tell you our reasons where doing so will undermine our reasonable security measures or otherwise be unlawful. If you want to cancel the consent you have given to a Third Party Provider to access your account you should contact them directly.

6.A.5 If you think a payment may have been made incorrectly or is unauthorised, you must tell us as soon as possible even where you use a Third Party Provider. ## 9. CURRENCY EXCHANGE

9.1 When you register your Account, you have the option of choosing from a list of currencies, which will be the currency in which your Account will be denominated.

9.2 If you use your Card to make a Transaction in a currency other than the currency of your Account (for example because your Card or your Account is denominated in a currency that is different from the currency charged by the retailer or you use your Card abroad to make a payment in a foreign currency or withdraw cash), then such a Transaction will be converted to the currency of your Account on the day we receive final settlement for the Transaction (typically 72 hours after you make the Transaction). You will receive an estimate of the converted amount at the time you make the Transaction, but this may be less, or more, than the final amount deducted from your Account due to exchange rate fluctuations. We will use Mastercard authorised rates applicable for such a Transaction. A foreign exchange fee will also apply (for further details on the applicable foreign exchange fee and the mark-up over the latest available foreign exchange reference rates issued by the European Central Bank (ECB) see the [Fees section on our Website](#)). You will be notified via automatic electronic notification (such as email or push notifications via the NETELLER app) with transaction details every time you use your Card to make a payment. You

have the option to unsubscribe from receiving such notifications.

9.3 If you apply for a Card in a currency that is different to the currency of your Account, all Transactions you make from your Account using your Card will incur a foreign exchange fee. Any Transaction you make in a currency which is different to both the currency of your Card and your Account, will incur an additional foreign exchange fee (you will be charged an exchange fee for the currency conversion from the Transaction currency into the currency of your Card and a further fee for the currency conversion into the currency of your Account). We recommend that you choose the same currency for your Card as the currency of your Account.

9.4 Transactions not involving your Card may also be subject to currency conversions. For every such currency conversion, we will apply our NETELLER exchange rate which applies at the time we carry out the transaction between the two currencies involved, to which we add a foreign exchange fee. The NETELLER exchange rate is a reference exchange rate set by us and changes continuously throughout each day. You can find out details of [our current reference exchange rates here](#). When we set and change the NETELLER exchange rate we take account of the buy and sell exchange rates in the market, and changes to those rates, which we receive from a variety of independent sources. Our foreign exchange fee is displayed in the ["Fees" section of the Website](#). The foreign exchange fee is payable in addition to the transaction fee.

## 10. CHARGEBACKS, NEGATIVE BALANCES AND REFUNDS

10.1 If you choose an upload method using a payment method that may be subject to a right to claim funds back (a "Chargeback") such as (but not limited to) credit or debit card or direct debit, you declare that you will not exercise such Chargeback other than for unauthorised use of the payment method or for a breach by us of these Terms of Use which would result in you having a right to a refund of the uploaded amount. Otherwise, you may not Chargeback any upload transaction or allow Chargeback of any upload transaction for reasons for which we are not responsible including (but not limited to) disputes with merchants for non-delivery of goods or services or insufficient balance on the payment method account. We reserve the right to charge you fees and expenses we incur in connection with such Chargeback and any action undertaken to challenge the same. We may also charge you a Chargeback fee as displayed in the ["Service Fees" section of the Website](#).

10.2 Without limiting our rights or remedies, if you do charge back, cancel, reverse or de-authorise a payment in such circumstances, you are responsible for refunding the payment to us. We may, at our discretion, recover the amount by reducing your Account balance, re-charging your credit card or bank account for the amount or otherwise collecting such amount from you.

10.3 If a negative balance is created in your Account (e.g. due to a chargeback, reversal of an Upload, or a Transaction is processed for a larger amount than the amount of available funds in your Account) or if you cause your Account to go into a negative balance for any other reason, you will be required to repay such negative balance by uploading sufficient funds into your Account to bring it back to at least a zero balance. Your failure to do so is a breach of these Terms of Use. You agree to pay us the outstanding amount immediately on demand. We reserve the right to automatically debit such outstanding amount from any Uploads you subsequently make to your Account. We shall be entitled to charge you for any reasonable expenses we incur as a result of any negative balance on your Account.

10.4 We reserve the right, at any time, to send you reminders or to take other debt collection measures including but not limited to mandating a debt collection agency or solicitors or to pursue the claim in court. We reserve the right to charge you the expenses we reasonably incur in connection with any such debt collection or enforcement efforts. This provision shall survive termination of the relationship between you and us.

10.5 If you receive a refund for purchases made with your Card, the refund will be paid to your Account. For legal reasons, you are not entitled to receive refunds in cash for Transactions made using your Card.

Refunds may take up to 30 days to process.

10.6 Once you have used the NETELLER Service to make a purchase, we are unable to stop that Transaction. However, where you have used your Card to buy goods or services you may have a claim against the Merchant if the goods or services are unsatisfactory, not supplied, supplied only in part or do not match the supplier's description. You must notify us of any dispute within 60 days of the purchase and the chargeback will only be applied to your account if successfully secured from the merchant through Mastercard. Mastercard and not us will determine who will win the chargeback. If you wrongly make a chargeback claim, we will be entitled to charge you any fees we reasonably incur in pursuing the chargeback claim and we will be entitled to debit your Account with the amount of any such fees.

## 11. REWARD OR PROMOTIONAL PROGRAMS
