[Terms of Use](#)); and (f) a transfer to a merchant (but only if you have used a payment method other than paysafecard to upload funds to your NETELLER Account and have fulfilled the requirements in Table 1 hereof). Transfers to excluded merchants (“Excluded Merchants”) shall not be considered a Qualifying Transaction. NETELLER reserves the right to modify the list of Excluded Merchants at any time upon its own discretion. A current list of Excluded Merchants is available in the “Transfer to merchant” section in the KNECT Module in Your Account. It is your responsibility to familiarize yourself with the current list of Excluded Merchants.

6.2. You can earn a maximum of one thousand (1,000) Points per Qualifying Transaction and an aggregate maximum of five hundred thousand (500, 000) Points in a calendar month. Any rounding will be done to the lower whole number (for example, if you transact an amount of up to USD 0.5 you will get zero Points. If you transact an amount of USD 1.1 – USD 1.9 you will receive 1 Loyalty Point). Please refer to Table 1 for more information regarding how Loyalty Points are earned. NETELLER reserves the right to grant Qualifying Participants extra Loyalty Points at its sole discretion.

7. From time to time, and at the sole discretion of NETELLER, you may be offered additional ways of earning Points via specific promotions. Participating in such promotions is subject to the designated rules specified for such promotion on the Programme website or in any other way communicated by NETELLER.

8. If you do not perform a Qualifying Transaction for a period of twelve (12) months or more, your Loyalty Programme account will be deactivated, and you will forfeit all of your earned Points. You can re-enroll in the Programme at any time after having your account deactivated, however all Loyalty Points that were earned prior to deactivation will be lost.

9. Points do not constitute your property and have no cash equivalent value. Points earned by you are for your benefit only and may not be transferred to anyone and shall become void if transferred.

10. Points earned and Rewards received through participation in the Programme may be subject to tax. Any tax liability, including disclosure, connected with the receipt or use of Points or Rewards is your responsibility.

The selection of Items is subject to availability in the Catalogue and the number of points needed to redeem for them may change at any time. Use of Items is subject to the rules of third parties (vendors) that may be accessed online. It is your sole responsibility to read and comply with such third parties’ rules. Each Item’s vendor has the right to place restrictions on the use of its Item(s). Items are not exchangeable, refundable, transferable or redeemable for cash, cannot be replaced if lost or stolen and are void where prohibited. Items must be presented to the respective vendor for redemption, use, and the delivery of goods and services. NETELLER shall have no obligations and/or liability concerning the delivery, quality and/or fitness for a particular purpose of the respective Item(s). Items may be subject to taxes as provided by the applicable law of the jurisdiction in which the purchase is made. Taxes, if applicable, may be a charge against the value of the Item or may require a separate supplemental payment by the respective Item’s vendor. 12. All of the Points earned in any calendar year must be redeemed by the end of the following calendar year or all of the Points earned in that year will expire at the end of the said following calendar year.
